

Brightway Steering Council

07-12-2022 Meeting

Organised by

DÉPART
DE SENTIER

BEP 0001 BEP Template

- Standard template for enhancement proposals
- Based on template used in BONSAI
 - Removed need for separate *editor*
- Needs separate BEP for discussion and acceptance procedure

Draft BEPs

- 0002: Merge code to single repository
- 0003: Documentation revision
- 0004: Standard changelog format

Expected BEPs

- *bw2data*: Storage of metadata in single SQLite database
- *new library*: Simple formats for data mapping and exchange
- *new library*: Background database migrations
- *bw2io*: One-click data imports

Brightway 3 progress

- Documentation: Ongoing (Michael W. responsible)
- *bw_projects*: Stalled. New developer needed.
- *ilcd format*: Ongoing (Chris M. responsible)
